Serviced offices for 2-10 people

The Innovation Centre is a bright, modern serviced office centre in the beautiful Energy Park on Exploration Drive, Bridge of Don, Aberdeen. With flexible spaces in a range of sizes it can accommodate a variety of business types.

People come first

At the Innovation Centre, a bright welcoming foyer and the calm environment of the shared atrium provide staff with space to relax or collaborate surrounded by plants and natural light from the large glass roof.

Around the atrium, on two floors, there are fully furnished office suites.

The smallest suites contain two desks and are suitable for small businesses and start ups, while the larger sized offices accommodate up to ten people and can be fitted out to suit individual requirements. We can also help fit out laboratory space, ideal for Aberdeen's thriving life sciences sector.

The Energy Park benefits from a mature, green landscaped environment and is easily accessed from Aberdeen's A90 peripheral route, with fast access to the Diamond Bridge over the River Don the city centre is only minutes away. Electric car charging and bicycle storage are also available for tenants and the Grub café provides coffee, snacks and lunches to take away or eat in.

Centre Benefits

- Flexible furnished office suites
- Category 5e structured data cabling
- Tenant and visitor parking
- Access to Aberdeen Energy Park digital IP telephone system
- Beautiful and peaceful mature green landscaped environment
- Access to reception facilities in nearby Enterprise Centre for mail/deliveries
- Larger meeting/conference rooms available to hire at competitive rates at both Aberdeen Innovation and Energy Parks
- Fast access to the new Third Don Crossing
- Utilities, cleaning & repairs all included in occupancy costs
- Large car park with electric car charging points

Excellent Transport Links

Situated right on the A92 (Ellon Road/The Parkway), as well as being close to the AWPR, the Energy Park has easy access to Aberdeen city centre, the airport and routes to the south.

There is generous car parking including electric car charging points. A secure cycle store and shower facilities are provided for those who prefer a more energetic commute.

Serviced office facilities

The Innovation Centre has a spacious AV equipped meeting room that can seat 12 and benefits from natural daylight. It's free to use by all tenants of the building.

Communication is covered too, with Category 5e structured data cabling, superfast broadband and access to a digital IP telephone system.

Office cleaning, utilities and repairs are included in the occupancy costs as part of our aim to make occupier lives simpler.

Immediately outside the Innovation Centre, there is generous parking for tenants and visitors.
