Industrial Facility & Office Space with Secure Yard

Industrial Workspace

The Horizon Centre comprises a detached industrial unit with two storey offices to the front and secure yard facilities. The unit is of steel portal frame construction under a pitched roof finished with insulated profile metal clad sheeting above.

A One of a Kind Opportunity

Workshop

The workshop building dates from 1990, but was extended in 2006 and again in 2015. The workshop comprises a rectangular bay (approximately 69 metres long by 15.8 metres wide).

- 6.3 metre eaves
- High bay sodium lighting
- Two overhead 5 tonne gantry cranes
- Vehicle access via electric roller shutter doors
- 3 phase power supply
- Secure yard

Offices

Office space is incorporated within the frame of the main building and was fully refurbished in 2015, to include the following specification:

- Reception area and various meeting rooms
- Mixture of open plan and cellular space
- Heating via gas fired central heating
- CAT 2 lighting
- Comfort cooling
- Staff welfare including locker areas and staff canteen
- uPVC double glazed windows

Secure Yard Area

The developed site has a tarmac access road running around the perimeter. The storage yard has been finished in a mixture of concrete and tarmac surfaces.

Features

The Horizon Centre offers an array of on-site features for occupiers to use.
